

# What Happens After This Public Information Centre?

After this Public Information Centre (PIC), the Project Team will.....

- Address the comments received
- Select the preferred solution
- Review and confirm choice of Schedule

Will There Be Another Opportunity for Public Comment?

If Schedule A (Alternative 3) then....

No

- Approved and may proceed with implementation of improvements.

If Schedule B (Alternative 2) then...

Yes

- Prepare a report outlining the work of the study and the preferred recommendations.
- Once the preferred solution is chosen, a Screening Report will be produced detailing the work completed. The report will be available for review and the public can provide comments on the final conclusions and recommendations of the study.
