

WINDSOR-ESSEX PARKWAY PROJECT NOTICE OF CLOSURE HIGHWAY 401 and NORTH TALBOT ROAD BRIDGE

Highway 401 eastbound between Highway 3 and Provincial Road, and Highway 401 westbound between Manning Road and Highway 3, will be closed for a 53 hour period, beginning at 12:00 am, Saturday, August 20, until 5:00 am Monday, August 22, 2011. The closure is required in order to allow for demolition works involving the North Talbot Road Bridge.

Motorists headed eastbound are advised to use the detour route via Highway 3 or Provincial Road. Westbound traffic will be re-directed through a detour route via Manning Road. Signs will be in place in order to advise motorists of the closure. Motorists may experience periodic delays during this time.

North Talbot Road Bridge will be closed for a nine (9) month period, beginning at 12:00 am, Saturday, August 20, 2011. This closure is required in order to accommodate the widening of Highway 401 from four (4) to six (6) lanes and to build the new North Talbot Road Bridge.

The Parkway Infrastructure Constructors have developed a detour plan to accommodate traffic throughout the duration of the temporary closure. The primary detour route will follow Howard Avenue, Highway 3 and Walker Road. A route via Concession Road, Provincial Road and Walker Road will also remain available throughout the closure.

Pedestrians and cyclists will not be allowed access to these zones during closure.

Detour route options in relation to closure of Highway 401

If you have any questions or concerns regarding traffic, please contact the Windsor-Essex Parkway's Public Liaison Office at 1-877-WE-PKWAY (937-5929) or via e-mail at wep-plo@wemg.ca.

We appreciate your cooperation throughout this project. Every effort will be made to reduce inconvenience to drivers, residents and the business community. For project updates or inquiries, please visit the Windsor-Essex Parkway website at www.weparkway.ca or contact the project staff listed below.
