

## Town of Tecumseh NOTICE OF STUDY COMPLETION

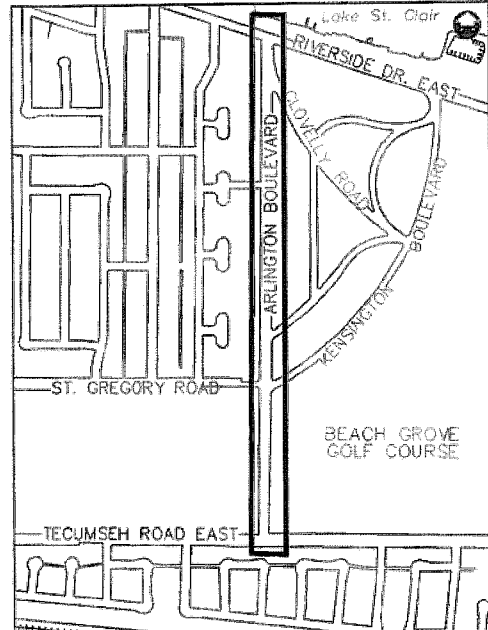

### Improvements to Arlington Boulevard Between Riverside Drive East and Tecumseh Road East Class Environmental Assessment

The Town of Tecumseh has initiated the planning and design of corridor improvements on Arlington Boulevard from Riverside Drive East to Tecumseh Road East. Dillon Consulting Limited has been retained to assist the Town in this undertaking.

This study was planned under the Municipal Class Environmental Assessment (June 2000). An evaluation of alternative solutions was completed in consultation with the general public. The Preferred Solution consists of the following elements:

- 2-lane urban road including one northbound lane and one southbound lane;
- Excludes roundabouts and traffic circles;
- Curb extensions and narrower lanes to improve vehicular safety and decrease vehicular speeds;
- Curb extensions to allow for on-street parking;
- Sidewalk and/or multi-use trail on east side of road;
- Tree planting and removal plan;
- Improvements to storm drainage; and
- Improvements to existing utilities.

A Screening Report is available for public and agency review and comment at the following locations for 30 calendar days:
