

**TOWN OF TECUMSEH  
IMPROVEMENTS TO MANNING ROAD  
RIVERSIDE DRIVE TO ST. GREGORY'S ROAD  
CLASS ENVIRONMENTAL ASSESSMENT**

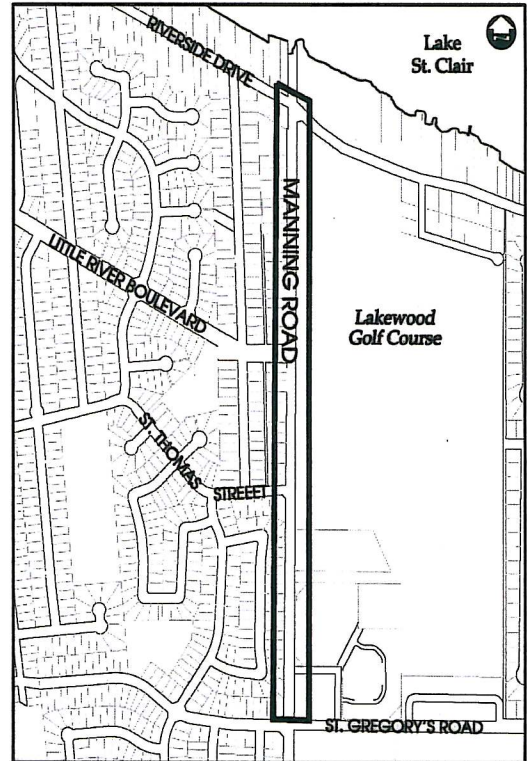

**NOTICE OF STUDY COMPLETION**

The Town of Tecumseh has completed the Schedule C planning and design process for corridor improvements on Manning Road from Riverside Drive to St. Gregory's Road, in accordance with the Municipal Engineers Association's *Municipal Class Environmental Assessment (2007)*. Dillon Consulting Limited was retained to assist the Town in this undertaking.

The opportunity to improve this portion of Manning Road arises from the proposed enclosure of the open roadside drain (East Townline Drain) and replacement of the existing pump station outlet, which are being planned and designed separately under the *Ontario Drainage Act*. These drainage improvements will allow for an urban road that accommodates pedestrians, cyclists and urban design features to create an enhanced gateway feature.

Two Public Information Centres were held in 2009 to present the alternatives and recommended solutions and designs. The technical analysis, environmental impact evaluation, and public and agency consultation process resulted in the identification of a **Preferred Design** that consists of the following:

- A two-lane urban road with a continuous mid-block centre median, including a median opening between Little River Boulevard and Riverside Drive;
- Roundabouts at the St. Thomas Street, Little River Boulevard, and Riverside Drive intersections;
- On-street cycling lanes on both sides of the road;
- A sidewalk along the west side of the road and a multi-use pathway along the east side of the road; and
- Urban design features to create an enhanced gateway feature.

An Environmental Study Report (ESR) was prepared, describing existing environmental conditions, anticipated impacts, mitigating measures, and details for the Preferred Design. The ESR will be available for a 30-day public and agency review period from **April 15, 2010 to May 22, 2010** at the following locations:

<p>Town of Tecumseh Municipal Offices 917 Lesperance Road Tecumseh, ON N8N 1W9 Ph: (519) 735-2184 Mon – Fri: 8:30am – 4:30pm</p>	<p>Tecumseh Library 13675 St. Gregory's Road Tecumseh, ON N8N 3E4 Ph: (519) 735-3670 Mon – Thurs: 10:00am – 8:00pm Fri: 10:00am – 6:00pm Sat: 10:00am – 5:00pm Sun: 12:00pm – 4:00pm (until May 2)</p>	<p>Dillon Consulting Limited 3200 Deziel Drive, Suite 608 Windsor, ON N8W 5K8 Ph: (519) 948-5000 Mon – Fri: 8:00am – 5:00pm</p>

If concerns regarding this project cannot be resolved, a person or party may request the Minister of the Environment make an order for the project to comply with Part II of the *Environmental Assessment Act* (referred to as a Part II Order), which addresses individual environmental assessments. Requests must be received by the Minister at the address below by **May 22, 2010**, and a copy of the request must be sent to the Town of Tecumseh to the attention of the Town Clerk. If a Part II Order request is not received by **May 22, 2010**, the Town will proceed with final design and construction, subject to funding.

Minister of the Environment  
135 St. Clair Avenue West, 12<sup>th</sup> Floor  
Toronto, Ontario M4V 1P5

Information collected during the study will be used in accordance with the *Municipal Freedom of Information and Protection of Privacy Act*. Unless otherwise stated in the submission, any personal information such as name, address, telephone number, and property location included in all submissions become part of the public record for this project.

**This notice issued on April 15, 2010.**
