

## **‘LIFE AFTER FIFTY’ SOCIAL EVENTS**

The Town of Tecumseh Senior Advisory Committee has received funding under the Seniors Community Grant Program for a pilot project with Life After Fifty (LAF) to offer adults new ways to participate in the community by engaging in active, healthy and social programming benefits.

LAF is a non-profit organization and a registered charity in Windsor-Essex. LAF is designed as a recreation centre for adults age 50+ in the Windsor-Essex community. Seniors are able to participate in a large array of programs, classes, activities and workshops designed to promote well-being and active living.
