No person within the boundary of the municipality shall emit or cause or permit the emission of sound resulting from an act listed herein, and which sound is clearly audible at a Point of Reception:

- (1) Racing of any Motorized Conveyance other than in a racing event regulated by law.
- (2) The operation of a Motor Vehicle in such a way that the tires squeal.
- (3) The operation of any combustion engine or pneumatic device without an effective exhaust or intake muffling device in good working order and in constant operation.
- (4) The operation of a Motor Vehicle or a Motor Vehicle with a trailer resulting in banging, clanging, squealing or other like sounds due to improperly secured load or equipment, or inadequate maintenance.
- (5) The operation of an engine or motor in, or on, any Motor Vehicle or item of attached auxiliary equipment for a continuous period exceeding five minutes, while such Motor Vehicle is stationary in a Residential Area unless:
 - (a) the original equipment manufacturer specifically recommends a longer idling period for normal and efficient operation of the Motor Vehicle in which case such recommended period shall not be exceeded; or
 - (b) operation of such engine or motor is essential to a basic function of the Motor Vehicle or equipment, including but not limited to, operation of ready-mixed concrete trucks, lift platforms and refuse compactors; or

- (c) weather conditions justify the use of heating or refrigerating systems powered by the motor or engine for the safety and welfare of the operator, passengers or animals, or the preservation of perishable cargo, and the Motor Vehicle is stationary for purposes of delivery or loading; or
 - (d) prevailing low temperatures make longer idling periods necessary immediately after starting the motor or engine; or
 - (e) the idling is for the purpose of cleaning and flushing the radiator and associated circulation system for seasonal change of antifreeze, cleaning of the fuel system, carburetor or the like, when such work is performed other than for profit.
- (6) The operation of a Motor Vehicle horn or other warning device except where required or authorized by law or in accordance with good safety practices.
- (7) The operation of any item of Construction Equipment in a Residential Area, Agricultural Area or Commercial Area without effective muffling devices in good working order and in constant operation.

4. Prohibitions by Time and Place

No person within the municipality shall emit or cause the emission of sound resulting from any act listed in [Table 4-1](#), hereinafter set out, if clearly audible at a Point of Reception located in an area of the municipality within a prohibited time shown for such an area.

5. Exemption for Public Safety

Notwithstanding any other provision of this by-law, it shall be lawful to emit or cause or permit the emission of sound or vibration in connection with emergency measures undertaken

- (1) for the immediate health, safety or welfare of the inhabitants or any of them; or
- (2) for the preservation or restoration of property;

unless such sound or vibration is clearly of a longer duration or nature more disturbing, than is reasonably necessary for the accomplishment of such emergency purpose.

6. Grant of Exemption by Council

- (1) Application to Council

Notwithstanding anything contained in this by-law, any person may make application to Council to be granted an exemption from any of the

provisions of this by-law with respect to any source of sound or vibration for which he/she might be prosecuted and Council, by resolution, may refuse to grant any exception or may grant the exemption applied for or any exemption of lesser effect and any exemption granted shall specify the time period, not in excess of six (6) months, during which it is effective and may contain such terms and conditions as Council sees fit.

(2) Decision

In deciding whether to grant the exemption, Council shall give the applicant and any person opposed to the application an opportunity to be heard and may consider such other matters as it sees fit.

(3) Breach

Breach by the applicant of any of the terms or conditions of any exemption granted by Council shall render the exemption null and void.

7. Exemption of Traditional, Festive or Religious Activities

Notwithstanding any other provisions of this by-law, this by-law does not apply to a person who emits or causes or permits the emission of sound or vibration in connection with any of the hereinafter listed traditional, festive, religious and other activities, namely:

- (1) Corn Festival; and
- (2) Ringing of Church bells or chimes.

8. Exemption of Essential Services

Notwithstanding any other provisions of this by-law, essential services and incidental noise from all activities of the Corporation of the Town of Tecumseh, or its servants or agents, associated with the provision of maintenance and essential services is permissible.

9. Severability

If any court of competent jurisdiction should declare any section of this by-law to be invalid, such section or part of a section shall not be construed as having persuaded or influenced Council to pass the remainder of the by-law and it is hereby declared that the remainder of the by-law shall be valid and shall remain in force.

10. Penalty

Every person who contravenes any of the provisions of this by-law is guilty of an offence and shall, upon conviction thereof, forfeit and pay a penalty of not more than Five Thousand Dollars (\$5,000.00), exclusive of costs, and every such fine is recoverable under the Provincial Offences Act.

That By-law No. 2001-12 and any other by-laws which are inconsistent with this by-law are hereby repealed.

This by-law shall come into full force and take effect upon the day following the final passing thereof and upon which it is approved by the Minister of Environment and Energy.
