**Re: Water Service Line Repair
 Coverage for Town of Tecumseh Homeowners**

<<Mailcode-xxxx>>

Reminder - Please disregard if you have already enrolled

Dear <<Sample A. Sample>>,

Did you know that repairs to the water line that runs between your home and the public utility connection that is damaged due to normal wear and tear are the responsibility of the homeowner? This line is subjected to the same elements that can cause our public service lines to decay – age, ground shifting, fluctuating temperatures and more.

The Town of Tecumseh understands the importance of water conservation and protecting the environment. While efforts are underway in many communities to improve public water and sewer systems, these fixes don't address the water line located on your property. Homeowners can spend from hundreds to thousands of dollars to repair a broken or leaking water line on their property – and that can be hard on a budget.

This is why we are pleased to remind you of a voluntary service line repair program which provides repair coverage for your outside water or well line, up to \$5,000 per service call with as many service calls as you need for covered repairs. The Service Line Warranties of Canada (SLWC) Exterior Water Service Line Coverage is the only service line protection program for homeowners endorsed by the Town of Tecumseh and Local Authority Services (LAS). The program provides coverage 24 hours a day, 365 days a year.

SLWC, an independent provider, administers the program and is a BBB Accredited Business with an A+ rating. SLWC has helped more than 140,000 homeowners across North America save over \$90 million in water and sewer service line repair costs.¹

Enroll today and pay a monthly price of \$4.58, conveniently billed quarterly or annually.

To enroll in this *optional* program return the completed bottom portion of this letter in the enclosed envelope or call 1-844-616-8444 to speak with an SLWC agent Monday through Friday 9am-5pm EST. Or visit www.slwofc.ca where you can enroll online – and learn about other service line protection products available in your area. This program is administered by SLWC, and no public funds were used for the mailing of this letter.

Please enroll by <<Date>>.

Sincerely,

Robert Judson
 EVP Customer Experience/SLWC
