RE: Repair and Improvements of Curtis Drain

Dear Property Owners:

Please be advised that a site meeting is being held next week to review the construction progress and outlook for the Repair and Improvement of the Curtis Drain. You, as a landowner affected by the work, are invited to attend. The Contractor (Matassa Incorporated, Mr. Chris Askin), Consultant (R. Dobbin Engineering, Mr. Josh Warner, P.Eng.), and Town of Tecumseh Drainage Superintendent and Assistant Drainage Superintendent will be in attendance.

The site meeting is scheduled as follows:

Date: Thursday, March 2, 2023

Time: 10:00 am

Place: 7344 Howard Avenue, Tecumseh, ON N0R 1L0 (Hewson property)

You are reminded that construction is still ongoing at this point and regarding public safety, it is emphasized that construction sites contain many potential hazards. All residents in the area should exercise extreme caution.

It is inevitable that construction may cause inconveniences within the area, but every effort is made to minimize disruption.

If a construction problem should arise, or if you have questions and concerns regarding this notice and drainage project can be directed to the following Town of Tecumseh contacts:

Alessia Mussio, EIT
Drainage Superintendent
Public Works and Engineering Services
amussio@tecumseh.ca
(519) 735-2184 ext. 140

Joseph Lappalainen, EIT
Assistant Drainage Superintendent
Public Works and Engineering Services
jlappalainen@tecumseh.ca
(519) 735-2184 ext. 105

We appreciate your patience and cooperation during construction.

Sincerely,

Alessia Mussio, EIT
Drainage Superintendent
