The Ontario Provincial Police, Tecumseh Detachment responded to an alarm signal at your premises. The attending officer(s) have determined that this was an **"at fault false alarm"**. In making this determination the officer(s) used the following criteria:

A **"bona fide emergency"** is deemed to exist where there is:

- i. an attempted or completed criminal act; or
- ii. an emergency situation occurring at, or in relation to, the premises.

An **"at fault false alarm"** is an alarm that prompts police response to a premises where a bona fide emergency does not exist, or was not, on reasonable ground as determined by the Service, believed to exist and includes, but is not limited to, the following:

- i. the testing of an alarm without police knowledge and approval
- ii. alarms caused by negligence or carelessness of the alarm company, the alarm monitoring company, the alarm monitoring company, the alarm owner or alarm user
- iii. alarms activated due to mechanical failure or improper installation
- iv. alarms activated by internal or external atmosphere conditions, vibrations or power surges

Our **Alarm Reduction Program** provides alarm subscribers with the opportunity to Register their premises with us on a yearly basis for \$10.00 including tax.

Our Alarm Reduction Policy specifies the following:

- The first two alarms at a registered premise within a 365 day period will be free of monetary charge.
- The third and fourth false alarms within a 365 day period will be \$100.00 each for any **Registered** premises.
- Each false alarm within a 365 day period will be \$100.00 each for an **Unregistered** premises.
- After three false alarms within a 365 day period, police response to alarms at your premises may be **Suspended** for one (1) year.
