 Sent Via:Email

Dear Chief Chris Plain,

Re: County Road 46 and Concession Roads 8 and 9 Environmental Assessment Study Commencement and Public Consultation Centre No. 1 Letter

The County of Essex in partnership with the Town of Tecumseh is undertaking an Environmental Assessment (EA) Study for improvements to County Road 46 (Provincial Road/North Talbot Road/Middle Road) from Highway 401 to County Road 19 (Manning Road), and Concession Roads 8 and 9 from County Road 46 northerly to the Town boundary, in the Town of Tecumseh, Ontario. The Study Area is shown in **Figure 1**.

The project is being initiated as a Schedule C undertaking of County Road 46 under the jurisdiction of the County of Essex and a Schedule B for Concession Roads 8 and 9 under the jurisdiction of the Town of Tecumseh. The Study will proactively consult with the adjacent property owners, public, stakeholders and Indigenous Peoples.

The public consultation process is vital to this Study and the County wants to ensure that anyone with interest in the project has the opportunity to provide input. An in-person Public Consultation Centre (PCC) is being held as follows:

Date: April 4, 2024
Time: 5:00 pm to 8:00 pm
Location: Ciociaro Club
 3745 North Talbot Road, Oldcastle, ON N0R 1L0

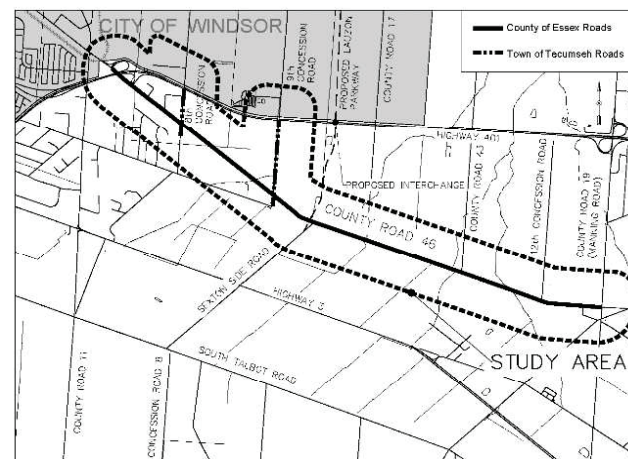

Figure 1: Study Area

In fulfilling the County’s duty to consult, we would like to extend an offer to meet with you to answer any questions you may have related to this project. Please contact Nithen Samuel to schedule a meeting.

There is an opportunity at any time during the Class EA process for interested persons to provide comments. Early identification of individual and group concerns greatly aids in addressing these concerns. Personal information collected as a result of this public consultation centre is collected under the authority of the *Municipal Act*, the *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)*, the *Planning Act*, and all other relevant legislation, and will be used to assist in making a decision on this matter. All personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will be made available for public disclosure to members of the public through requests and through the County of Essex website. Questions regarding the collection, use and disclosure of this personal information may be directed to the Clerk, Essex County Civic; 360 Fairview Avenue West, Essex, ON, N8M 1Y6.

Should you require further information, please contact me by email at nsamuel@countyofessex.ca or by phone at 519-776-6441 ext. 1385.

Regards,

Nithen Samuel

The County of Essex in partnership with the Town of Tecumseh is undertaking an Environmental Assessment (EA) Study for improvements to County Road 46 (Provincial Road/North Talbot Road/Middle Road) from Highway 401 to County Road 19 (Manning Road), and Concession Roads 8 and 9 from County Road 46 northerly to the Town boundary, in the Town of Tecumseh, Ontario. The Study Area is shown in **Figure 1**.

The project is being initiated as a Schedule C undertaking of County Road 46 under the jurisdiction of the County of Essex and a Schedule B for Concession Roads 8 and 9 under the jurisdiction of the Town of Tecumseh. The Study will proactively consult with the adjacent property owners, public, stakeholders and Indigenous Peoples.

The public consultation process is vital to this Study and the County wants to ensure that anyone with interest in the project has the opportunity to provide input. An in-person Public Consultation Centre (PCC) is being held as follows:

Date: April 4, 2024
Time: 5:00 pm to 8:00 pm
Location: Ciociaro Club
 3745 North Talbot Road, Oldcastle, ON N0R 1L0

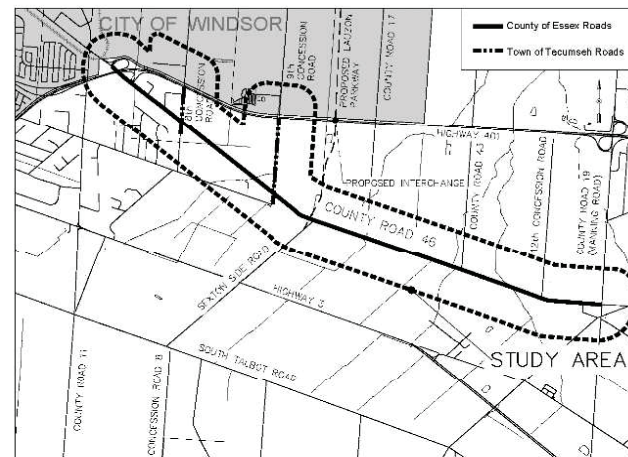

Figure 1: Study Area

There is an opportunity at any time during the Class EA process for interested persons to provide comments. Early identification of individual and group concerns greatly aids in addressing these concerns. Personal information collected as a result of this public consultation centre is collected under the authority of the *Municipal Act*, the *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)*, the *Planning Act*, and all other relevant legislation, and will be used to assist in making a decision on this matter. All personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will be made available for public disclosure to members of the public through requests and through the County of Essex website. Questions regarding the collection, use and disclosure of this personal information may be directed to the Clerk, Essex County Civic; 360 Fairview Avenue West, Essex, ON, N8M 1Y6.

Should you require further information, please contact me by email at nsamuel@countyofessex.ca or by phone at 519-776-6441 ext. 1385.

Regards,

Nithen Samuel

Dear Chief Daniel Miskokomon,

Re: County Road 46 and Concession Roads 8 and 9 Environmental Assessment Study Commencement and Public Consultation Centre No. 1 Letter

The County of Essex in partnership with the Town of Tecumseh is undertaking an Environmental Assessment (EA) Study for improvements to County Road 46 (Provincial Road/North Talbot Road/Middle Road) from Highway 401 to County Road 19 (Manning Road), and Concession Roads 8 and 9 from County Road 46 northerly to the Town boundary, in the Town of Tecumseh, Ontario. The Study Area is shown in **Figure 1**.

The project is being initiated as a Schedule C undertaking of County Road 46 under the jurisdiction of the County of Essex and a Schedule B for Concession Roads 8 and 9 under the jurisdiction of the Town of Tecumseh. The Study will proactively consult with the adjacent property owners, public, stakeholders and Indigenous Peoples.

The public consultation process is vital to this Study and the County wants to ensure that anyone with interest in the project has the opportunity to provide input. An in-person Public Consultation Centre (PCC) is being held as follows:

Date: April 4, 2024
Time: 5:00 pm to 8:00 pm
Location: Ciociaro Club
 3745 North Talbot Road, Oldcastle, ON N0R 1L0

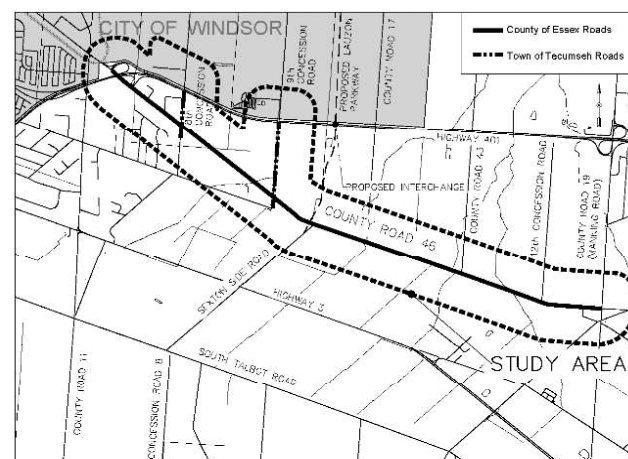

Figure 1: Study Area

In fulfilling the County’s duty to consult, we would like to extend an offer to meet with you to answer any questions you may have related to this project. Please contact Nithen Samuel to schedule a meeting.

There is an opportunity at any time during the Class EA process for interested persons to provide comments. Early identification of individual and group concerns greatly aids in addressing these concerns. Personal information collected as a result of this public consultation centre is collected under the authority of the *Municipal Act*, the *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)*, the *Planning Act*, and all other relevant legislation, and will be used to assist in making a decision on this matter. All personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will be made available for public disclosure to members of the public through requests and through the County of Essex website. Questions regarding the collection, use and disclosure of this personal information may be directed to the Clerk, Essex County Civic; 360 Fairview Avenue West, Essex, ON, N8M 1Y6.

Should you require further information, please contact me by email at nsamuel@countyofessex.ca or by phone at 519-776-6441 ext. 1385.

Regards,

Nithen Samuel

Hi Darcie,
In submitting the submission to the Chippewas of the Thames, I inadvertently sent the Notice to the Caldwell First Nation along with the COTTFN while filling out the NationsConnect. Apparently NationsConnect distributed the notice to both communities while advising that the submission was on hold !!!!! . I corrected the submission and indicated it was to go only to COTTFN and NationsConnect accepted the submission.

Based on this experience, NationsConnect now serves as the portal for both the COTTFN and the Caldwell First Nations. Obviously, the Caldwell FN are quicker in response than the COTTFN.

Andra – There will need to be add Caldwell FN to the NationsConnect in the indigenous table you created.

Darcie- Please forward this email to the EPs working on the County Road 46 project.

ThanksGord

23-041 Cty Rd 46 Caldwell FN Tech Review Agreement Essex Proponent April 22 2024 Signed.pdf;

Greetings Ms. Maidment,

As requested, please find the Technical Review Agreement (TRA) completed and signed by the County of Essex staff. It is anticipated Caldwell First Nation will sign the Agreement and forward a copy to the County.

Timmins Martelle Heritage Consultants (TMHC) are undertaking a Stage 1 Archaeological Assessment at this time. The County notes the TRA sets out a fee for a Technical review of the Stage 1. In light of this fee, can Caldwell First Nations please advise when the invoice for the review can be anticipated either before or at the time the Stage 1 Archaeological Assessment is submitted to Caldwell First Nation ?

Your assistance in providing the next steps regarding invoicing is greatly appreciated. Finally, your email address was utilized as the consultation portal (consultwithcaldwell.ca) in your April 10th email was not recognized as a valid email address by our system.

Gordon Bell
Senior Environmental Planner
BT Engineering Inc.

Technical Review Agreement

between

Caldwell First Nation ('CFN') and
County of Essex

Section 1: Context

- 1) This agreement's primary role is to ensure Caldwell First Nation (hereafter, 'CFN') receives adequate capacity resources for participating in the technical review of documents, materials, and coordination with project staff associated with County of Essex and Town of Tecumseh, County Road 46 from Highway 401 to County Road 19, Town of Tecumseh, Concession Roads 8 and 9 from County Road 46 northerly to the Town boundary (hereafter, 'the Project') located at County Road 46 in County of Essex and Concession Roads 8 and 9 in Town of Tecumseh, Ontario, owned by County of Essex and Town of Tecumseh, (hereafter, 'the Proponent').
- 2) CFN's representatives in the Environment and Consultation Department (hereafter, 'ECD') will execute meaningful and timely engagement with the Project at the ECD's discretion.
- 3) The Proponent or their designates must supply all materials to CFN's ECD for comment and review through Nations Connect (<https://nationsconnect.ca/>) and email, in a timely manner and before submitting such drafts to other authorities. This Agreement constitutes the Proponent's consent to supply reasonable time in the amount of at least 30 days for the ECD to adequately review and comment upon documents or projects.
- 4) The Proponent agrees to supply the ECD with any available supplementary materials necessary to review of the project, as well as a full Indigenous Engagement report alongside the project draft report itself. The Indigenous Engagement Report must fully account for CFN's involvement in the project.
- 5) The Proponent agrees that they will conduct no new fieldwork until such time that the ECD has completed its review and offered comments on the current stage of the project.
- 6) CFN will ensure that its representatives have an adequate level of education for conducting reviews and experience in both Indigenous and Western perspectives pertaining to the work at hand, as well as bridging gaps between them.

Section 2 – Legal Status

- 7) This Agreement does not abrogate, derogate or otherwise restrict any CFN rights.
- 8) Nothing in this Agreement may be construed to limit any consultation, engagement, or accommodation obligations owed to CFN by the Crown or any Proponent.

- 9) CFN retains the right to challenge by way of judicial review or any legal or other process, any Activity within their Traditional Territory.

Section 3 – Proponent Costs

- 10) The Proponent, whether directly or through its designates, will compensate CFN at a rate of \$208/h in capacity funding for every task in relation to reviewing the Project, including but not limited to examining reports, materials, developing summaries, taking phone calls and meetings, etc. See Schedule B for a regular break-down of technical review costs.
- 11) If CFN, whether initially or later in the process of technical review, determines that its existing staff in the ECD cannot adequately complete a review of the Project in question, the Proponent must compensate CFN for incurred costs in retaining an external expert. The selection of the expert will exclusively be at the discretion of CFN and its ECD staff, and that expert's work will only begin following both Parties consent to a budget estimate from the expert/consultant.

Section 4 – Supplementary

- 12) In relation to archaeological assessments, any work associated with any project in CFN's Traditional Territory must adhere to the *Ontario Heritage Act*, and specifically the Province of Ontario's *Standards and Guidelines for Consultant Archaeologists (2011)*, *Terms and Conditions for Archaeological Licences* and *Engaging Aboriginal Communities in Archaeology (2011)* (hereinafter, the 2011 Standards). As other guidelines or bulletins from the Province appear, CFN may insist on meeting their standards.
- 13) The Proponent must make every effort to avoid and protect indigenous cultural heritage, including archaeological sites, artifacts, features, and cultural landscapes.
- 14) In the scenario that Project-related activities encounter archaeological resources, there must immediately be an activities stoppage wherever Project-related activities may disturb said resources. In tandem, the Proponent must inform CFN's ECD, and thereafter the Parties must collaborate to mitigate and minimize any possible impacts to the resources, maintaining respectful treatment of archaeological resources in a manner deemed appropriate by CFN.
- 15) The Parties agree that any found human remains of indigenous origin should be left in situ and be accompanied by appropriate mitigation and protection measures. In the case that Project-related activities encounter human remains of indigenous origin at any juncture, the following steps must be followed:
 - a. Cease all Project-related activities (e.g., excavation) that could disrupt the archaeological site hosting the human remains, as well as secure the area to protect the site and prevent any trespassing or public access;
 - b. Supplementary to the *Funeral, Burial, and Cremation Services Act, 2002, SO 2002, C 33*, the Proponent must contact CFN's ECD immediately;

- c. At their own discretion, CFN will conduct any cultural activities on the site that it deems necessary, such as ceremonies;
- d. The Proponent and any parties, including Crown authorities, involved in the Project must consult CFN regarding every step of the investigation and any decisions pertaining to the human remains in question.

Section 5 – Method of Payment

16) The Proponent must pay the rates associated with capacity funding to CFN by bank transfer or cheque within 30 days following CFN’s submission of an invoice to the Proponent. CFN may submit digital invoices using the following information:

Email: nsamuel@countyof essex.ca
 Attention: Nithen Samuel
 Environmental Coordinator
 County of Essex
 360 Fairview Ave. Suite 315
 Essex, Ontario N8M 1Y6
 P: 519-776-6441 Ext, 1385
 F: 519-776-4455

17) The Proponent should make any payments to CFN using the following information:

Email: jfa@caldwellfirstnation.ca
 Attention: Monica Dobetsberger
 14 Orange Street
 Leamington, Ontario
 N8H 1P5

18) 30 standard days after CFN’s submission of an invoice, CFN will charge 5% compounded interest monthly on any outstanding invoice. 180 days following submission of an invoice, CFN will charge 20% compounded interest monthly on any outstanding invoice.

Section 6 – Disclaimer

- 19) Capacity funding paid through this Agreement will only be used for capacity building purposes and will not be paid to any individual for inappropriate personal gain or any other activity that may fall under Canadian anticorruption law.
- 20) CFN and the Proponent may execute the current Agreement in counterparts using physical or electronic signature.
- 21) This Agreement legally binds the Proponent and CFN.

22) This Agreement goes into effect as of the date of its execution. If Project-related activities exceed 365 days following the date of the Agreement’s execution, the Parties must conclude a new agreement to continue CFN’s participation in the Project.

Signed this April 19, 2024.

Good afternoon Gord,

Thank you for sending through the signed TRA. I have cc'd the Environment and Consultation Department Manager, Zack Hamm, he will forward the agreement to our CAO for review and signing. Zack is currently away at a conference and may be delayed in his response, however he will also be able to indicate the procedure for Stage 1 Archeology invoicing; my assumption is the invoice would be sent once the Stage 1 Archaeological Assessment is submitted to our consultation portal. Also I will note that our department is shifting to [NationsConnect](#) for all submissions of consultation notifications and documents, so this will be the portal to use in the near future.

The selection of the expert will exclusively be at the discretion of CFN and its ECD staff, and that expert's work will only begin following both Parties consent to a budget estimate from the expert/consultant.

Section 4 – Supplementary

- 12) In relation to archaeological assessments, any work associated with any project in CFN's Traditional Territory must adhere to the *Ontario Heritage Act*, and specifically the Province of Ontario's *Standards and Guidelines for Consultant Archaeologists (2011)*, *Terms and Conditions for Archaeological Licences* and *Engaging Aboriginal Communities in Archaeology (2011)* (hereinafter, the 2011 Standards). As other guidelines or bulletins from the Province appear, CFN may insist on meeting their standards.
- 13) The Proponent must make every effort to avoid and protect indigenous cultural heritage, including archaeological sites, artifacts, features, and cultural landscapes.
- 14) In the scenario that Project-related activities encounter archaeological resources, there must immediately be an activities stoppage wherever Project-related activities may disturb said resources. In tandem, the Proponent must inform CFN's ECD, and thereafter the Parties must collaborate to mitigate and minimize any possible impacts to the resources, maintaining respectful treatment of archaeological resources in a manner deemed appropriate by CFN.
- 15) The Parties agree that any found human remains of indigenous origin should be left in situ and be accompanied by appropriate mitigation and protection measures. In the case that Project-related activities encounter human remains of indigenous origin at any juncture, the following steps must be followed:
- Cease all Project-related activities (e.g., excavation) that could disrupt the archaeological site hosting the human remains, as well as secure the area to protect the site and prevent any trespassing or public access;
 - Supplementary to the *Funeral, Burial, and Cremation Services Act, 2002*, SO 2002, C 33, the Proponent must contact CFN's ECD immediately;

- At their own discretion, CFN will conduct any cultural activities on the site that it deems necessary, such as ceremonies;
- The Proponent and any parties, including Crown authorities, involved in the Project must consult CFN regarding every step of the investigation and any decisions pertaining to the human remains in question.

Section 5 – Method of Payment

- 16) The Proponent must pay the rates associated with capacity funding to CFN by bank transfer or cheque within 30 days following CFN's submission of an invoice to the Proponent. CFN may submit digital invoices using the following information:

Email: nsamuel@countyofessex.ca

Attention: Nithen Samuel

Environmental Coordinator

County of Essex

360 Fairview Ave. Suite 315

Essex, Ontario N8M 1Y6

P: 519-776-6441 Ext, 1385

F: 519-776-4455

- 17) The Proponent should make any payments to CFN using the following information:

Email: jfa@caldwellfirstnation.ca

Attention: Monica Dobetsberger

14 Orange Street

Leamington, Ontario

N8H 1P5

- 18) 30 standard days after CFN's submission of an invoice, CFN will charge 5% compounded interest monthly on any outstanding invoice. 180 days following submission of an invoice, CFN will charge 20% compounded interest monthly on any outstanding invoice.

Section 6 – Disclaimer

- 19) Capacity funding paid through this Agreement will only be used for capacity building purposes and will not be paid to any individual for inappropriate personal gain or any other activity that may fall under Canadian anticorruption law.
- 20) CFN and the Proponent may execute the current Agreement in counterparts using physical or electronic signature.
- 21) This Agreement legally binds the Proponent and CFN.

22) This Agreement goes into effect as of the date of its execution. If Project-related activities exceed 365 days following the date of the Agreement's execution, the Parties must conclude a new agreement to continue CFN's participation in the Project.

Dear Chief Chris Plain,

Re: County Road 46 and Concession Roads 8 and 9 Environmental Assessment Public Consultation Centre No. 2 Letter

The County of Essex in partnership with the Town of Tecumseh is undertaking an Environmental Assessment (EA) Study for improvements to County Road 46 (Provincial Road/North Talbot Road/Middle Road) from Highway 401 to County Road 19 (Manning Road), and Concession Roads 8 and 9 from County Road 46 northerly to the Town boundary, in the Town of Tecumseh, Ontario. The Study Area is shown in **Figure 1**.

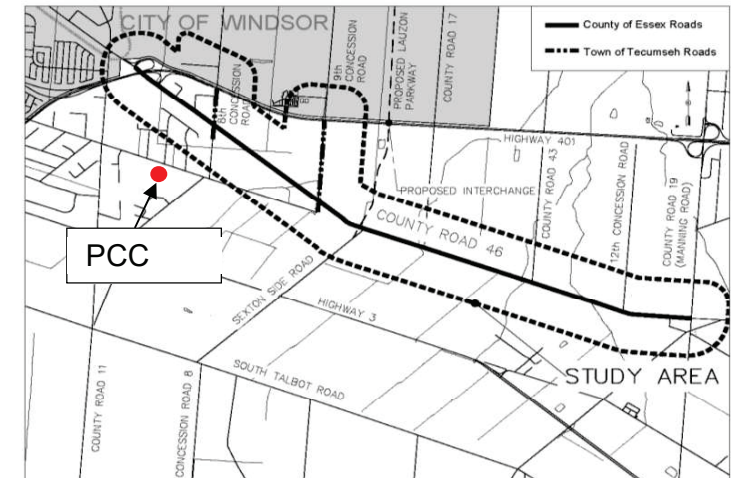

Figure 1: Study Area

The study is being conducted as a Schedule C project under the MCEA (2023). The study will evaluate alternatives to improve the operation and safety of the roadways.

The Study will follow the MCEA process by establishing the need and justification for the project, considering all reasonable alternatives with acceptable effects on the natural, social and cultural environments, and proactively consulting with the public, stakeholders and Indigenous Peoples.

Public consultation is vital to this Study and the County wants to ensure that anyone with interest in the project has the opportunity to provide input. The public is encouraged to visit <https://www.countyofessex.ca/CR46/> or scan the QR code to know more about the project. A second in-person Public Consultation Centre (PCC) is being held as follows:

In fulfilling the County's duty to consult, we would like to extend an offer to meet with you to answer any questions you may have related to this project. Please contact Sumaiya Habiba to schedule a meeting.

There is an opportunity at any time during the Class EA process for interested persons to provide comments. Early identification of individual and group concerns greatly aids in addressing these concerns. Personal information collected as a result of this public consultation centre is collected under the authority of the *Municipal Act*, the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA), the *Planning Act*, and all other relevant legislation, and will be used to assist in making a decision on this matter. All personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will be made available for public disclosure to members of the public through requests and through the County of Essex website. Questions regarding the collection, use and disclosure of this personal information may be directed to the Clerk, Essex County Civic; 360 Fairview Avenue West, Essex, ON, N8M 1Y6.

Should you require further information, please contact me by email at SHabiba@countyofessex.ca or by phone at 519-776-6441 ext. 1385.

In fulfilling the County's duty to consult, we would like to extend an offer to meet with you to answer any questions you may have related to this project. Please contact Sumaiya Habiba to schedule a meeting.

There is an opportunity at any time during the Class EA process for interested persons to provide comments. Early identification of individual and group concerns greatly aids in addressing these concerns. Personal information collected as a result of this public consultation centre is collected under the authority of the *Municipal Act*, the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA), the *Planning Act*, and all other relevant legislation, and will be used to assist in making a decision on this matter. All personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will be made available for public disclosure to members of the public through requests and through the County of Essex website. Questions regarding the collection, use and disclosure of this personal information may be directed to the Clerk, Essex County Civic; 360 Fairview Avenue West, Essex, ON, N8M 1Y6.

Should you require further information, please contact me by email at SHabiba@countyofessex.ca or by phone at 519-776-6441 ext. 1385.

Regards,

Dear Chief Roger Thomas,

Re: County Road 46 and Concession Roads 8 and 9 Environmental Assessment Public Consultation Centre No. 2 Letter

The County of Essex in partnership with the Town of Tecumseh is undertaking an Environmental Assessment (EA) Study for improvements to County Road 46 (Provincial Road/North Talbot Road/Middle Road) from Highway 401 to County Road 19 (Manning Road), and Concession Roads 8 and 9 from County Road 46 northerly to the Town boundary, in the Town of Tecumseh, Ontario. The Study Area is shown in **Figure 1**.

The study is being conducted as a Schedule C project under the MCEA (2023). The study will evaluate alternatives to improve the operation and safety of the roadways.

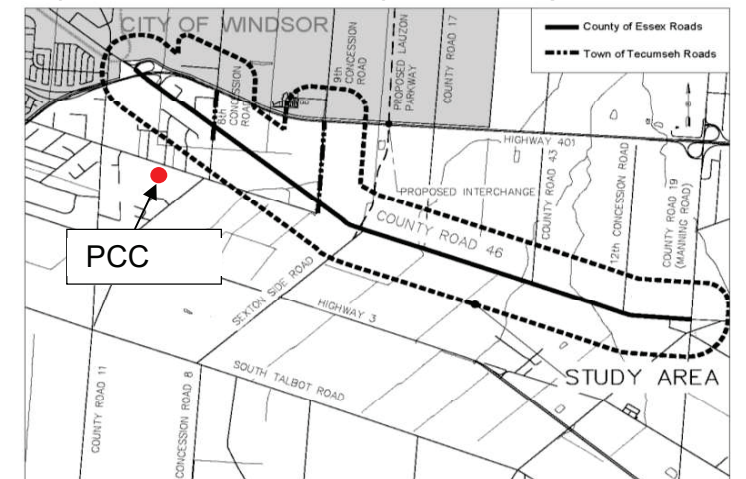

Figure 1: Study Area

The Study will follow the MCEA process by establishing the need and justification for the project, considering all reasonable alternatives with acceptable effects on the natural, social and cultural environments, and proactively consulting with the public, stakeholders and Indigenous Peoples.

Public consultation is vital to this Study and the County wants to ensure that anyone with interest in the project has the opportunity to provide input. The public is encouraged to visit <https://www.countyofessex.ca/CR46/> or scan the QR code to know more about the project. A second in-person Public Consultation Centre (PCC) is being held as follows:

All,
NationsConnect notification works for the COTTFFN, as per their response below. This is general notification of their response to BTE staff and Sumaiya Habiba. Please forward if I missed anyone.

Andra – please log it into the FN file. I will advise when I have sent the requested information.

Steve – I note in the Shared Files there is both the display boards and a presentation. Where both used for the PCC 3? Are both present on the County website as listed in the PCC Notice sent to COTTFFN ? Has a PCC 3 Report been completed?

This information will assist me in determining the information to be sent to Fallon Burch. It will be interesting to see if the NationsConnect can receive these large files.

Subject: RE: NationsConnect: Essex County Rd 46 Public Consultation Centre # 3 regarding Essex County Road 46 and Tecumseh Town Con 8 & 9 EA

All,
Please be advised that the PCC 3 information Fallon Burch requested below has been sent today. The Adobe file for the PCC display boards and the Power Point presentation file were sent at the same time. NationsConnect system accepted both files with no indication of a capacity problem.

NationsConnect do not acknowledge receipt other than the exchange between Fallon and myself is documented in the NationsConnect log for the Chippewas of the Thames First Nations.

All,
NationsConnect notification works for the COTTFFN, as per their response below. This is general notification of their response to BTE staff and Sumaiya Habiba. Please forward if I missed anyone.

Andra – please log it into the FN file. I will advise when I have sent the requested information.

Steve – I note in the Shared Files there is both the display boards and a presentation. Where both used for the PCC 3? Are both present on the County website as listed in the PCC Notice sent to COTTFFN ? Has a PCC 3 Report been completed?

This information will assist me in determining the information to be sent to Fallon Burch. It will be interesting to see if the NationsConnect can receive these large files.

.....Gord

Subject: CR 46, Concession Rds 8 and 9 Environmental Assessment - Comment on Environmental Study Report

Good afternoon Zack,

The County, in partnership with the Town of Tecumseh, is undertaking an Environmental Assessment (EA) Study for improvements to County Road 46 and Concession Roads 8 and 9 in the Town of Tecumseh, Ontario. Our consulting team, BT Engineering, is working on the draft Environmental Study Report which will we hope to finalize in September. Upon Council endorsement, the report will be posted on the project website for stakeholder review for 30 days. If it would be beneficial, we would be happy to provide the report in advance of the 30-day review period. Please let me know if this would be preferable.

Information on the project can be found here: <https://www.countyofessex.ca/resident-services/county-roads/major-projects/county-road-46/>

Please let me know if you have any questions.

Thank you,
Sumaiya

Dear Chief Janelle Mahmabin,

Re: County Road 46 and Concession Roads 8 and 9 Environmental Assessment Notice of Study Completion

The County of Essex in partnership with the Town of Tecumseh retained BT Engineering Inc. to complete a Schedule C Municipal Class Environmental Assessment (MCEA) Study for improvements to County Road 46 (Provincial Road/North Talbot Road/Middle Road) from Highway 401 to County Road 19 (Manning Road), and Concession Roads 8 and 9 from County Road 46 northerly to the Town boundary, in the Town of Tecumseh, Ontario. The Environmental Assessment was conducted as a Schedule C project under the MCEA (2023). Alternatives to improve the operation and safety of the roadways were evaluated and EA Study recommendations were presented at PCC No. 3.

The Study followed the MCEA process by establishing the need and justification for the project, considered all reasonable alternatives with acceptable effects on the natural, social and cultural environments, and proactively consulted with the public, stakeholders and Indigenous Peoples. The last step in the process is publishing the Environmental Assessment findings and the recommended plan in an Environmental Study Report for public review.

The ESR will be available online at:
<https://www.countyofessex.ca/CR46/> or scan the QR code.

It will also be available at the following locations:

- County Municipal Office, 360 Fairview Ave W, Essex ON N8M 1Y6;
- Tecumseh - Cada Library Branch 13675 St Gregory's Road Tecumseh, ON N8N 3E4; and
- Tecumseh Municipal Office, 917 Lesperance Road Tecumseh, ON N8N 1W9

The ESR will be available from November 20, 2025, until December 19, 2025 during business hours.

After reviewing the ESR if there are still outstanding issues, a request to the Minister of the Environment, Conservation and Parks for an order imposing additional conditions or requiring an individual environmental assessment may be made on the grounds that the requested order may prevent, mitigate, or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests to both the Minister and Director should include your full name and contact information.

Minister Andrea Khanjin
 Ministry of the Environment, Conservation and Parks
 777 Bay Street, 5th Floor

Director, Environmental Assessment Branch
 Ministry of the Environment, Conservation and Parks
 135 St. Clair Avenue West, 1st Floor
 Toronto, ON M4V 1P5
EABDirector@ontario.ca

Requests to the Minister of the Environment, Conservation and Parks should also be sent by mail or by email to the consultant EA Project Manager and City Project Manager (contact information at the end of this notice).

Please visit Ontario.ca for more information on requests for orders under section 16 of the *Environmental Assessment Act* at:

<https://www.ontario.ca/page/class-environmental-assessments-section-16-order>

If there are any other outstanding concern(s), they should be directed to Consultant Project Manager or the County's Manager of Transportation Planning and Development listed at the end of this notice, no later than December 19, 2025.

There is an opportunity at any time during the Class EA process for interested persons to provide comments. Personal information collected as a result of this public consultation centre is collected under the authority of the *Municipal Act*, the *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)*, the *Planning Act*, and all other relevant legislation, and will be used to assist in making a decision on this matter. All

personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will be made available for public disclosure to members of the public through requests and through the County of Essex website.

Questions regarding the collection, use and disclosure of this personal information may be directed to the Clerk, Essex County Civic; 360 Fairview Avenue West, Essex, ON, N8M 1Y6.

Should you require further information, please contact me by email at SHabiba@countyofessex.ca or by phone at 519-776-6441 ext. 1385.

Dear Chief Claire Sault,

Re: County Road 46 and Concession Roads 8 and 9 Environmental Assessment Notice of Study Completion

The County of Essex in partnership with the Town of Tecumseh retained BT Engineering Inc. to complete a Schedule C Municipal Class Environmental Assessment (MCEA) Study for improvements to County Road 46 (Provincial Road/North Talbot Road/Middle Road) from Highway 401 to County Road 19 (Manning Road), and Concession Roads 8 and 9 from County Road 46 northerly to the Town boundary, in the Town of Tecumseh, Ontario. The Environmental Assessment was conducted as a Schedule C project under the MCEA (2023). Alternatives to improve the operation and safety of the roadways were evaluated and EA Study recommendations were presented at PCC No. 3.

The Study followed the MCEA process by establishing the need and justification for the project, considered all reasonable alternatives with acceptable effects on the natural, social and cultural environments, and proactively consulted with the public, stakeholders and Indigenous Peoples. The last step in the process is publishing the Environmental Assessment findings and the recommended plan in an Environmental Study Report for public review.

The ESR will be available online at:
<https://www.countyofessex.ca/CR46/> or scan the QR code.

It will also be available at the following locations:

- County Municipal Office, 360 Fairview Ave W, Essex ON N8M 1Y6;
- Tecumseh - Cada Library Branch 13675 St Gregory's Road Tecumseh, ON N8N 3E4; and
- Tecumseh Municipal Office, 917 Lesperance Road Tecumseh, ON N8N 1W9

countyofessex.ca/CR46/

The ESR will be available from November 20, 2025, until December 19, 2025 during business hours.

After reviewing the ESR if there are still outstanding issues, a request to the Minister of the Environment, Conservation and Parks for an order imposing additional conditions or requiring an individual environmental assessment may be made on the grounds that the requested order may prevent, mitigate, or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests to both the Minister and Director should include your full name and contact information.

Minister Andrea Khanjin
Ministry of the Environment, Conservation and Parks
777 Bay Street, 5th Floor

Director, Environmental Assessment Branch
Ministry of the Environment, Conservation and Parks
135 St. Clair Avenue West, 1st Floor
Toronto, ON M4V 1P5
EABDirector@ontario.ca

Requests to the Minister of the Environment, Conservation and Parks should also be sent by mail or by email to the consultant EA Project Manager and City Project Manager (contact information at the end of this notice).

Please visit Ontario.ca for more information on requests for orders under section 16 of the *Environmental Assessment Act* at:

<https://www.ontario.ca/page/class-environmental-assessments-section-16-order>

If there are any other outstanding concern(s), they should be directed to Consultant Project Manager or the County's Manager of Transportation Planning and Development listed at the end of this notice, no later than December 19, 2025.

There is an opportunity at any time during the Class EA process for interested persons to provide comments. Personal information collected as a result of this public consultation centre is collected under the authority of the *Municipal Act*, the *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)*, the *Planning Act*, and all other relevant legislation, and will be used to assist in making a decision on this matter. All

personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will be made available for public disclosure to members of the public through requests and through the County of Essex website.

Questions regarding the collection, use and disclosure of this personal information may be directed to the Clerk, Essex County Civic; 360 Fairview Avenue West, Essex, ON, N8M 1Y6.

Should you require further information, please contact me by email at SHabiba@countyofessex.ca or by phone at 519-776-6441 ext. 1385.
